Relations internationales

In 2016, France delivered war materiel and equipment to the international market in the following areas 8.3 billion, compared with 6.1 billion euros in 2006. 7.3 billion in 2014 and 7.3 billion in 2015. This equipment contributed 6.6 billion to France's trade balance in 2016.

Beyond MG, the 1,800 companies in the Defence Industrial and Technological Base (DITB) exported 93.7 billion euros of civil and military goods in 2016, i.e. 21% of France's total exports in 2016. DTIB companies make a positive contribution to France's trade balance of 33.8 billion euros in 2016. While MG exports support about 74,400 direct and indirect jobs in France in 2016, about one million jobs correspond to total DITB exports .
